# Wine D'Vine

Since 1976, Walden Family Services has pioneered specialized services for populations that were falling through the cracks long before this became common practice. Until only a few years ago, children and youth in foster care who had special health care needs, were developmentally disabled, LGBTQ, age 10+, and siblings of 3 or more who wanted to stay together were considered “unplace-able” – a term Walden has always found unacceptable.

By becoming a Wine D'Vine sponsor and supporting the mission of Walden Family Services, you illustrate your compassion and dedication for providing every foster child in our care the resources and relationships they need to grow and thrive. *Thank you.*
