To the Board of Directors
Walden Family Services

We have audited the consolidated financial statements of Walden Family Services (“the Organization”) for the year ended June 30, 2023. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, *Government Auditing Standards* and *OMB’s Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated July 17, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Communications

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Organization are described in Note 2 to the financial statements. As described in Note 2, the Organization changed accounting policies related to the adoption of *ASU No. 2016-02, Leases (Topic 842)*. The change in accounting principle was adopted on a modified retrospective basis in on July 1, 2022 as described in Note 2 to the audited consolidated financial statements as of and for the year ended June 30, 2023. We noted no transactions entered into by the Organization during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the consolidated financial statements in the proper period.

Accounting estimates are an integral part of the consolidated financial statements prepared by management and are based on management’s knowledge and experience about past and current events and assumptions about future events. We have audited the critical estimates and judgments, as well as other estimates and judgments, utilized by management in the preparation of the June 30, 2023 financial statements. We have evaluated key factors and assumptions used to develop the accounting estimates and have determined that they are reasonable in relation to the consolidated financial statements taken as a whole. The most significant estimates affecting the consolidated financial statements were:

- The useful lives assigned to property and equipment have been estimated based on the intended use.
- Management has represented no circumstances indicating the carrying value of the long-lived assets was impaired.
- The allowance for doubtful accounts has been estimated based on past experience and on an analysis of current receivable balances.
- The fair value of investments are reported to the Organization on the valuation methodologies deemed appropriate by the fund managers. The Organization reviews and evaluates the values provided by fund managers.
- The right-of-use asset and liabilities are reported at the net present value of the future lease payments using an applicable discount rate at the payment terms.

- The costs of providing various programs have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

The disclosures in the consolidated financial statements are neutral, consistent, and clear. Certain financial statement disclosures may be particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the consolidated financial statements were:

- Concentrations (Note 2)
- Net Assets with Donor Restrictions (Note 8)
- Commitments (Note 9)

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management.

- The attached schedule of misstatements detected as a result of audit procedures were corrected by management.

Disagreements With Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the consolidated financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter.

Management Consultations With Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Organization's consolidated financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Organization's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Independent Auditor's Report

To the Board of Directors
Walden Family Services

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Walden Family Services (a nonprofit organization) which comprise the consolidated statement of financial position as of June 30, 2023 and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Walden Family Services as of June 30, 2023 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audit contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Walden Family Services, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Walden Family Services' ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Walden Family Services' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Walden Family Services' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Walden Family Services' 2022 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated December 21, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2022, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 11, 2023, on our consideration of Walden Family Services' internal control over financial reporting, and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Walden Family Services' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Walden Family Services' internal control over financial reporting and compliance.

Change in Accounting Principle

As described in Note 2 to the consolidated financial statements, Walden Family Services adopted accounting standards changes related to accounting for and disclosing of lease arrangements. Our opinion is not modified with respect to this matter.

WALDEN FAMILY SERVICES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2023
(WITH COMPARATIVE TOTALS FOR THE YEAR ENDED JUNE 30, 2022)

Note 1 - Organization:

The consolidated financial statements of the Organization include the following entities:

Walden Environment dba Walden Family Services

Walden Environment dba Walden Family Services (“Walden”) is a nonprofit organization formed in 1976 to provide advocacy, out-of-home placement, and treatment services for children unable to remain in their own homes due to abandonment, abuse, or neglect. Walden’s goal is to help stabilize children, youth, and families through community-based prevention and intervention services. Walden is a therapeutic foster family and adoption agency engaged in the recruitment, certification, and training of foster and adoptive parents; the careful placement of foster and adoptive children; and housing and life skills programs for youth transitioning out of foster care. Walden’s funding comes primarily from federal, state, and county welfare programs. Each year, Walden provides services to roughly 1,478 children, youth, young adults, and families through an array of programs and services described here.

Walden Project Homekey, LLC

Walden Project Homekey, LLC (“Project Homekey”) is a single member limited liability company formed in May 2023 to provide housing and services for any transitional youth where no adequate housing exists for such groups. Walden Environment dba Walden Family Services is the sole member of Walden Project Homekey, LLC.

The following is a brief description of the Organization’s programs:

Foster & Adoption Services

Children and youth enter foster care when their families are not able to care for them safely. Walden’s foster care and adoption program enables infants and sibling groups, youth who identify as LGBTQI+, and teens and children with development disabilities, emotional and behavioral challenges, and special healthcare needs to grow up knowing the love and sense of community that living in a family provides.

Resource/foster families support and care for children until they can return to their biological family. When children cannot return to their birth family, Walden carefully matches them with individuals and couples seeking to build their family through adoption. Walden provides child-family therapy, training, and ongoing support to facilitate the family’s adjustment through each developmental stage.

Walden provides resource family homes and Intensive Services Foster Care for children, including those with behavioral and emotional challenges, and/or special healthcare needs.

Care for Children with Special Health Care Needs/ Intensive Services Foster Care

Walden is licensed through Community Care Licensing to provide a foster care program to foster children who are placed under the Intensive Services Foster Care (ISFC) rate, these includes children who have specialized medical needs and/or behavioral or emotional challenges needing a higher level of care and support.

All ISFC resource/foster parents receive additional training and services.

WALDEN FAMILY SERVICES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2023
(WITH COMPARATIVE TOTALS FOR THE YEAR ENDED JUNE 30, 2022)

Note 1 - Organization: (Continued)

Foster & Adoption Services (Continued)

Care for Children with Special Health Care Needs/ Intensive Services Foster Care (Continued)

Walden's Special Health Care Needs (SHCN) and Intensive Services Foster Care (ISFC) program enables children and youth with significant medical needs to move out of skilled nursing facilities and hospitals, into highly skilled, specially trained resource/foster families. Often, these children have medical equipment-dependent conditions, and may require apnea monitors, nebulizers, oxygen, feeding tubes, and other adaptive technology. The program also serves infants who were drug-exposed or born prematurely, who are failing to thrive, who have insulin-dependent diabetes or life-threatening medical conditions. Foster parents receive intensive training and support to care for these special healthcare needs.

Care for Children with Intellectual and/or Developmental Disabilities

Walden serves the needs of foster children and teens with intellectual and/or developmental disabilities, including cerebral palsy, epilepsy, autism, and other challenges. The goals are to prevent institutionalization and prepare children and teens for maximum independence through participation in a full range of typical childhood experiences in family and community settings.

Mental Health Services

Under the California Continuum of Care Reform, foster family agencies (FFAs) are expected to increase access to mental health services for the children and youth in their foster care programs. Walden contracts directly with San Bernardino and Riverside Counties to provide specialty mental health services to Walden youth in their care in those counties. The clinics provide therapy, rehabilitation, and other appropriate services. Children and youth in need of mental health services in Walden's other districts are referred to trusted community partners.

Lesbian, Gay, Bisexual, Transgender, and Questioning (LGBTQ I+) Program

Walden is a recognized culturally competent provider of care for youth. In addition to serving LGBTQI+ foster youth in our care, Walden's leadership provides training and support nationally for other child welfare providers, foster parents, and birth families. Walden actively recruits and educates members of the LGBTQI+ community about becoming resource/foster and adoptive parents. Walden has attained the Human Rights Campaign Foundation Innovator status, the highest recognition awarded, for our commitment to all children and families.

Foster Care for Pregnant and Parenting Teens

Walden provides support and training to parenting youth through our transitional housing program (THP), FFA, and Nurturing Parenting programs. Services include support with parenting classes, budgeting assistance, and referrals to community resources. The program offers services and support to teens that have custody of their children as well as teens working toward reunification with their dependent children.

(WITH COMPARATIVE TOTALS FOR THE YEAR ENDED JUNE 30, 2022)

Note 1 - Organization: (Continued)

Foster & Adoption Services (Continued)

Transitional Housing Placement (THP) Programs

Unlike the nearly 65% of youth who leave foster care with no place to call home and no connection to the community, youth in Walden’s transitional housing programs learn how to live on their own in the community, build relationships with mentors, and earn a college degree or learn a vocation.

THPP for Non-Minor Dependents (THPP-NMD)

Walden’s transitional housing placement for non-minor dependents program was among the first of its kind in California. Youth choose to remain in foster care until age 21 to pursue their education and employment goals. Walden helps these young people decide where to live, covers rent and utilities, and provides basic home furnishings. In addition, Walden social workers provide young people with the structure they need to set realistic goals and teach youth the life skills most young adults learn from their parents. Walden currently operates the program through our 3 licensed offices, Riverside, Los Angeles, and San Diego.

THP-Plus

Because few young adults are self-sustaining even at age 21 – with or without parental support – Walden began offering services to former foster youth ages 21-25 in 2017. Our THP Plus began providing up to 36 months of transitional housing placement and life skills support for youth in San Diego County and launched a THP Plus program in Los Angeles in 2020.

San Bernardino County Programs

Our San Bernardino and Victorville offices provide a variety of programs to prepare young people for college, career, and community life, and to support parents in developing the skills to build positive relationships with their children.

Nurturing Families Program - First 5 San Bernardino

Walden offers free parenting classes for young parents with children 0-5 years old, in the county. Using the nationally recognized evidence-based curriculum Nurturing Parenting, the program offers a 16-week course to help young parents provide for, and in some cases reunite with, their children, and break the child welfare cycle.

Nurturing Family Program - Loma Linda University

Walden has a subcontract with Loma Linda University to provide Nurturing Family classes to families with children 6-11 years, through a multi-component intervention to strengthen families addressing health impacts of adverse childhood experiences.

Extended Care/Aftercare

Walden’s San Bernardino offices offer current and former foster youth life skill training and connections to community resources. This program also provides case management, employment, education, community engagement, and emergency financial assistance to former foster youth 18-21 years.

Note 1 - Organization: (Continued)

San Bernardino County Programs (Continued)

Independent Life Skills Classes

Walden provides life skill classes throughout San Bernardino County for foster youth ages 16-18 years. Classes focus on key life skills including, career education, budgeting, relationships, self-advocacy, and community connections

Child Abuse Prevention and Treatment Services (CAPTS)

Walden provides therapy and parenting classes to families referred through San Bernardino Child and Family Services.

Community Outreach Programs

Walden provides assistance to low-income and underserved communities to re-enforce efforts to protect the health and well-being of communities, and informational outreach programs related to COVID-19 vaccination.

Vaccinate All 58 Youth Engagement Partnership Program

Walden had a 3-month program through Vaccinate 58. The Youth Engagement Partnership Program (YEPP) project to promote awareness of the benefits of the vaccine through a marketing campaign, including in-person events to a diverse population of youth and families with children throughout the Inland Empire and targeted communities in the surrounding Counties.

EITC Awareness Reaching Neighborhoods

Walden provided support to Reach Out's Health & Human Services Federal contract for Earned Income Tax Credit, by providing direct and indirect outreach, education, and engagement in the Inland Empire.

Vaccine Community-Based Workforce Program (CBO)

Walden provided support to Reach Out's Health Resources and Services Administration (HRSA) contract to establish, expand, and sustain a community outreach workforce to educate and assist individuals in accessing and receiving COVID-19 vaccinations. Walden completed surveys with families and through attending local vaccination clinics and provided social media outreach.

Note 2 - Significant Accounting Policies:

Consolidated Financial Statements

The consolidated financial statements include the accounts of Walden and Project Homekey, which are collectively referred to as the "Organization". All material intercompany transactions have been eliminated in consolidation.

WALDEN FAMILY SERVICES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2023
(WITH COMPARATIVE TOTALS FOR THE YEAR ENDED JUNE 30, 2022)

Note 2 - Significant Accounting Policies: (Continued)

Accounting Method

The consolidated financial statements of the Organization have been prepared on the accrual basis of accounting, which is in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), and, accordingly, reflect all significant receivables, payables, and other liabilities.

Financial Statement Presentation

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes thereon are classified and reported as follows:

- Net Assets Without Donor Restrictions - Net assets available for use in general operations, and not subject to donor (or certain grantor) restrictions.
- Net Assets With Donor Restrictions - Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires—that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Organization invests in various types of investment securities which are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term, and such changes could materially affect the amounts reported in the consolidated statement of financial position.

Fair Value Measurements

Fair value accounting standards define fair value, establish a framework for measuring fair value, outline a fair value hierarchy based on inputs used to measure fair value, and enhance disclosure requirements for fair value measurements. The fair value hierarchy distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity (observable inputs that are classified within Level 1 or 2 of the hierarchy), and the reporting entity's own assumptions about market participant assumptions (unobservable inputs classified within Level 3 of the hierarchy).

WALDEN FAMILY SERVICES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2023
(WITH COMPARATIVE TOTALS FOR THE YEAR ENDED JUNE 30, 2022)

Note 2 - Significant Accounting Policies: (Continued)

Fair Value Measurements (Continued)

- Level 1 inputs are quoted prices in active markets for identical investments that the investment manager has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the investment, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the investment.

The Organization's consolidated statement of financial position includes the following financial instruments that are required to be measured at fair value on a recurring basis:

- Investments in mutual and exchange traded funds are considered Level 1 assets, and are reported at fair value based on quoted prices in active markets for identical assets at the measurement date.

Allowance for Doubtful Accounts and Overpayments

Accounts receivable consist of fees due from counties in California that have been earned for services provided to foster youth. Bad debts are recognized on the allowance method, based on historical experience and management's evaluation of outstanding receivables. The allowance for doubtful accounts receivable and other receivables totaled \$141,991 and \$125,507 at June 30, 2023 and 2022, respectively.

Management believes that all contributions receivable were fully collectible; therefore, no allowance for doubtful contributions receivable was recorded at June 30, 2023 and 2022.

Overpayments are fees received from funding sources which the Organization has determined are not due at the time of receipt. Overpayments totaled \$293,963 and \$449,352 at June 30, 2023 and 2022, respectively.

Capitalization and Depreciation

The Organization capitalizes all expenditures in excess of \$1,000 for property and equipment at cost, while donations of property and equipment are recorded at their estimated fair values. Such donations are reported as support without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use, and contributions of cash that must be used to acquire property and equipment, are reported as support with donor restrictions. Absent donor stipulations regarding how those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

Building	39 years
Furniture and equipment	5 years
Leasehold improvements	5 years
Software	3 years

WALDEN FAMILY SERVICES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2023
(WITH COMPARATIVE TOTALS FOR THE YEAR ENDED JUNE 30, 2022)

Note 2 - Significant Accounting Policies: (Continued)

Capitalization and Depreciation (Continued)

Depreciation totaled \$9,804 and \$19,390 for the years ended June 30, 2023 and 2022, respectively, and is included in occupancy.

Maintenance and repairs are charged to operations as incurred. Upon sale or disposition of property or equipment, the asset account is reduced by the cost, and the accumulated depreciation account is reduced by the depreciation taken prior to the sale. Any resultant gain or loss is then recorded as income or expense.

Impairment of Real Estate

The Organization reviews its investment in real estate for impairment whenever events and changes in circumstances indicate that the carrying value of such property may not be recoverable. Recoverability is measured by a comparison of the carrying amount of the real estate to the estimated proceeds from the eventual disposition of the real estate. If the real estate is considered to be impaired, the impairment to be recognized is measured at the amount by which the carrying amount of real estate exceeds the fair value of such property. There were no impairment losses recognized in 2023.

Compensated Absences

Accumulated unpaid vacation totaling \$272,183 and \$292,828 at June 30, 2023 and 2022, respectively, is accrued when incurred.

Revenue Recognition

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions. Contributions to be received in future periods are discounted at an appropriate discount rate. Amortization of discounts is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions.

The Organization's revenue is generated through performance of services for government entities, under various contracts for which they are paid a fixed fee or on a cost-reimbursement basis. Revenue is recognized as the services are provided and/or costs are incurred. Accounts receivable are recorded when revenue earned under a contract exceeds the cash received. Deferred revenue is recorded when cash received under a grant and contract exceeds the revenue earned. Deferred revenue totaled \$-0- and \$24,071 at June 30, 2023 and 2022, respectively.

The Organization receives payments for its children from the respective counties and Regional Centers. In turn, the Organization issues monthly payments to the resource families for its children. This reimbursement to resource parents represents approximately 47% and 44% of the total foster care placements for the years ended June 30, 2023 and 2022, respectively.

Event revenue is recognized in the period that the event occurs.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2023
(WITH COMPARATIVE TOTALS FOR THE YEAR ENDED JUNE 30, 2022)

Note 2 - Significant Accounting Policies: (Continued)

Donated Services and Materials

The Organization utilizes the services of many volunteers throughout the year. This contribution of services by the volunteers is not recognized in the consolidated financial statements, unless the services received (a) create or enhance nonfinancial assets, or (b) require specialized skills which are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. The Organization received donated services totaling \$11,000 and \$-0- for the years ended June 30, 2023 and 2022, respectively, and have been included in in-kind contributions on the consolidated statement of activities for the years ended June 30, 2023 and 2022.

The Organization received in-kind contributions totaling \$38,680 and \$10,000 for the years ended June 30, 2023 and 2022, respectively, included in in-kind contributions on the consolidated statement of activities for the years ended June 30, 2023 and 2022.

The following table summarizes donated services and goods measured at fair value received for the year ended June 30:

2023				
Items Donated	Revenue Recognized	Utilization in Programs/Activities	Donor Restrictions	Valuation Techniques and Inputs
Program supplies	\$14,465	Program services	No associated donor restrictions	Estimate the fair value on the basis of estimates of values that would be received for similar services in the United States
Community event supplies	\$12,350	Program services – community event	Donor restriction – supplies for community event	Estimate the fair value on the basis of estimates of values that would be received for similar services in the United States.
Auction items	\$11,865	Fundraising -special events	Donor restriction – auction items for events	Donated auction items are valued at the gross selling price received.
Advertising	\$10,000	Program services	No associated donor restrictions	Estimated the fair value on the basis of estimate of current market price that would be received for selling similar products in the United States.
Professional services	\$1,000	Program services	No associated donor restrictions	Estimated the fair value at the standard rate charges for those services in the United States
2022				
Items Donated	Revenue Recognized	Utilization in Programs/Activities	Donor Restrictions	Valuation Techniques and Inputs
Auction items	\$10,000	Fundraising -special events	Donor restriction – auction items for events	Donated auction items are valued at the gross selling price received.

JUNE 30, 2023
(WITH COMPARATIVE TOTALS FOR THE YEAR ENDED JUNE 30, 2022)

Note 2 - Significant Accounting Policies: (Continued)

Functional Allocation of Expenses

The consolidated statement of functional expenses present expenses by function and natural classification. Expenses directly attributable to a specific functional area are reported as expenses of those functional areas. A portion of expenses that benefit multiple functional areas have been allocated between programs and supporting services, primarily based on the proportion of full-time employee equivalents of a program or supporting service, versus the total organizational full-time employee equivalents.

Income Taxes

Walden is a public charity, and is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code. Walden believes that it has appropriate support for any tax positions taken, and, as such, does not have any uncertain tax positions that are material to the consolidated financial statements. Walden is not a private foundation.

Walden's Returns of Organization Exempt from Income Tax for the years ended June 30, 2023, 2022, 2021 and 2020 are subject to examination by the Internal Revenue Service and State taxing authorities, generally three-to-four years after the returns were filed.

No provision for federal and state income taxes for Project Homekey. is included in the consolidated financial statements, since the taxable income (loss) passes through and is reportable by the members on their income tax returns.

Concentrations

Credit Risk

The Organization maintains its cash and investments in bank deposit accounts and brokerage accounts which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts. The Organization believes it is not exposed to any significant credit risk on cash and cash equivalents.

Accounts Receivable and Revenue

The accounts receivable and other receivables balance consists primarily of amounts due from several government agencies for foster care and transitional housing placements totaling \$1,365,897 and \$1,509,349, which represents 69% and 75% of the total accounts receivable and other receivables balance at June 30, 2023 and 2022, respectively.

The Organization received \$14,246,438 and \$14,717,419, or 86% and 89% of its operating revenue from several government agencies for foster care placements and transition housing placements for the years ended June 30, 2023 and 2022, respectively.

WALDEN FAMILY SERVICES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2023
(WITH COMPARATIVE TOTALS FOR THE YEAR ENDED JUNE 30, 2022)

Note 2 - Significant Accounting Policies: (Continued)

Cash and Cash Equivalents

For purposes of the consolidated statement of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents. Certificates of deposits that may be redeemed without a significant penalty are considered cash and cash equivalents, regardless of the maturity. The following is a composition of the combined amounts appearing in the consolidated statement of cash flows at June 30:

	<u>2023</u>	<u>2022</u>
Cash and money market funds	\$ 2,859,250	\$ 2,016,735
Certificates of deposit	-	1,639,687
Total Cash and Cash Equivalents	\$ 2,859,250	\$ 3,656,422

Certificates of deposit included in cash and cash equivalents bear interest at rates ranging from .35% to 1.88%, and mature through August 2022.

Accounting Pronouncement Adopted

Change in Accounting Principle

In February 2016, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Codification (“ASC”) 842, *Leases* (“FASB ASC 842”) to increase transparency and comparability among organizations by requiring the recognition of lease assets and lease liabilities on the consolidated statement of financial position by lessees, and the disclosures of key information about leasing arrangements.

The Organization adopted this guidance Accounting Standards Codification (ASC) 842 in 2022 using the effective date transition method which allows the Organization to apply the guidance for the current-year presentation and not adjust the prior-year numbers. The Organization elected the package of practical expedients that allows an entity to not reassess (i) whether any expired or existing contracts are or contain leases, (ii) lease classification for any expired or existing leases and (iii) initial direct costs for any expired or existing leases. The Organization did not elect to use hindsight for leases existing at the adoption date.

As a result of the adoption of FASB ASC 842 on July 1, 2022, right of use assets of \$516,281 and operating lease liability of \$516,281 were recorded.

Lease

The Organization entered into lease agreements for office space through April 2025. Pursuant to the guidance for accounting for leases, the Organization accounts for the operating leases as noted below.

The Organization determines if an arrangement is a lease at inception. An arrangement is a lease if the arrangement conveys a right to direct the use of, and obtain substantially all of the economic benefits from, the use of an asset for a period of time in exchange for consideration.

Operating lease right-of-use assets and liabilities are recognized at the commencement date based on the present value of the lease payments over the lease term. The Organization use the risk-free rate in determining the present value of the lease payments.

WALDEN FAMILY SERVICES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2023
(WITH COMPARATIVE TOTALS FOR THE YEAR ENDED JUNE 30, 2022)

Note 2 - Significant Accounting Policies: (Continued)

Lease (Continued)

The operating lease right-of-use asset also includes any lease payments made, and excludes lease incentives. The lease term may include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise that option. The lease does not contain any material residual value guarantee or material restrictive covenants. Lease expense for lease payments is recognized on the straight-line basis over the lease term.

Comparative Totals for June 30, 2022

The consolidated financial statements include certain prior year summarized comparative information in total, but not by net asset class. This summarized information is for comparative purposes only, and accordingly, such information should be read in conjunction with the Organization’s consolidated financial statements for the year ended June 30, 2022, from which the summarized comparative information was derived.

Subsequent Events

In preparing these consolidated financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through December 11, 2023, the date the consolidated financial statements were available to be issued, and concluded that there were no events or transactions that needed to be disclosed.

Note 3 - Liquidity and Availability:

The Organization regularly monitors the availability of resources required to meet its operating needs and other contractual commitments. The Organization considers contributions without donor restrictions, and contributions with donor restrictions for use in current programs which are ongoing, major, and central to its annual operations, to be available to meet cash needs for general expenditures. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Organization considers all expenditures related to its ongoing programs, as well as the conduct of services undertaken to support those activities, to be general expenditures.

Financial assets available for general expenditure—that is, without donor or other restrictions limiting their use—within one year, are comprised of the following at June 30, 2023:

Financial assets at year-end:	
Cash and cash equivalents	\$ 2,859,250
Investments	1,111,551
Accounts receivable and other receivables, net	1,966,363
Contributions receivable	<u>1,750</u>
Financial assets available to meet cash needs for general expenditures within one year	<u>\$ 5,938,914</u>

The Organization receives its grant support through subgrantee awards from the U.S. Department of Health and Human Services. The Organization is reimbursed for direct costs incurred in the conduct of its programs and receives reimbursement for indirect costs based on a fixed rate of 10% applied to direct costs. The Organization also operates with a balanced budget and anticipates collecting sufficient revenue to cover general expenditures not covered by donor-restricted resources.

	<u>\$ 439,076</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 439,076</u>

The following schedule summarizes investment income (loss) for the years ended June 30:

	2023	2022
Interest and dividend income	\$ 41,996	\$ 8,269
Net realized and unrealized gain (loss)	50,100	(54,874)
Total Investment Income (Loss)	<u>\$ 92,096</u>	<u>\$ (46,605)</u>

Note 5 - Contributions Receivable:

Contributions receivable are due in less than one year and total \$1,750 and \$45,546 at June 30, 2023 and 2022, respectively.

WALDEN FAMILY SERVICES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2023
(WITH COMPARATIVE TOTALS FOR THE YEAR ENDED JUNE 30, 2022)

Note 6 - Property and Equipment:

Property and equipment consist of the following at June 30:

	<u>2023</u>	<u>2022</u>
Land	\$ 325,924	\$ -
Building	651,859	-
Furniture and equipment	99,729	99,729
Leasehold improvements	36,421	36,421
Software	8,797	11,110
Subtotal	1,122,730	147,260
Less: Accumulated depreciation	(135,003)	(127,512)
Property and Equipment, Net	\$ 987,727	\$ 19,748

Note 7 - Line-of-Credit:

The Organization has a line-of-credit with First Republic Bank in the amount of \$1,500,000. The line-of-credit provides for interest at the bank's prime rate (8.25% and 4.00% at June 30, 2023 and 2022, respectively). The line-of-credit is secured by substantially all of the Organization's assets. The line-of-credit matured on June 4, 2023 and was not renewed. There was no outstanding balance on the line-of-credit at June 30, 2023 and 2022.

Note 8 - Net Assets With Donor Restrictions:

Net assets with donor restrictions consist of the following at June 30:

	<u>2023</u>	<u>2022</u>
Subject to Expenditure for Specified Purpose:		
Resource families and transitional age youth programs	\$ 178,045	\$ 160,478
Total Net Assets with Donor Restrictions	\$ 178,045	\$ 160,478

Net assets released from donor restrictions by incurring expenses satisfying the restricted purpose, or by the occurrence of the passage of time or other events specified by the donors, are as follows for the year ended June 30:

	<u>2023</u>	<u>2022</u>
Purpose Restrictions Accomplished:		
Resource families and transitional age youth programs	\$ 292,733	\$ 225,789
Impossible	5,180	-
Wine D'Vine	-	10,050
Total Net Assets Released from Restrictions	\$ 297,913	\$ 235,839

JUNE 30, 2023
(WITH COMPARATIVE TOTALS FOR THE YEAR ENDED JUNE 30, 2022)

Note 9 - Commitments:

Deferred Compensation Plan

The Organization sponsors a 401(k) deferred compensation plan (the “Plan”). Employees may elect to contribute up to the maximum amount allowed by federal law, as defined in the Plan. Each employee self-directs the investment of his or her assets. The Organization may elect to make matching contributions to the Plan. The Organization contributed \$75,000 and \$71,688 to the Plan for the years ended June 30, 2023 and 2022, respectively, which is included in payroll taxes and employee benefits.

Lease Commitments

The Organization leases its facilities under various operating lease agreements and month-to-month rentals. The leases expire at various dates through April 2025. Office rents and leases, which includes scheduled rent increases and an additional charge for common area maintenance costs, totaled \$402,960 and \$432,285 for the years ended June 30, 2023 and 2022, respectively, and is included in occupancy.

The Organization also leases certain office equipment under various month-to-month rentals. Equipment leases totaled \$32,548 and \$36,584 for the years ended June 30, 2023 and 2022, respectively, and is included in occupancy.

The following summarizes the line items on the statement of financial position for the operating lease at June 30, 2023:

Right-of-use assets - operating leases, net	\$ <u>319,529</u>
Operating lease liability - current portion	\$ 221,221
Operating lease liability - noncurrent portion	<u>117,525</u>
Total Operating Lease Liabilities	\$ <u>338,746</u>

The following summarizes the weighted average remaining lease term and discount rate at June 30, 2023:

Weighted average remaining lease term - operating	19 months
Weighted average discount rate – operating	2.09%

The following summarizes the line items in the consolidated statement of functional expenses which include the components of lease expense for the year ended June 30, 2023:

Operating lease expense	\$ <u>400,450</u>
Total Operating Lease Cost (<i>included in occupancy</i>)	\$ <u>400,450</u>

The following summarizes cash flow information related to leases for the year ended June 30, 2023:

WALDEN FAMILY SERVICES
SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS (CONTINUED)
FOR THE YEAR ENDED JUNE 30, 2023

Note 1 - Basis of Presentation:

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of Walden Family Services under programs of the federal government for the year ended June 30, 2023. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule present only a selected portion of the operations of Walden Family Services, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Walden Family Services.

Note 2 - Summary of Significant Accounting Policies:

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented where available.

Walden Family Services has elected to use the 10-percent de minimis indirect cost rate as allowed under Uniform Guidance.

**Independent Auditor's Report on Internal Control Over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Consolidated Financial Statements Performed in
Accordance With *Government Auditing Standards***

To the Board of Directors
Walden Family Services

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audit contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Walden Family Services (a nonprofit organization), which comprise the consolidated statement of financial position as of June 30, 2023, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated December 11, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Walden Family Services' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Walden Family Services' internal control. Accordingly, we do not express an opinion on the effectiveness of Walden Family Services' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements, on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section, and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Walden Family Services' consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Independent Auditor's Report on Compliance
for the Major Program and on Internal Control Over
Compliance Required by the Uniform Guidance**

To the Board of Directors
Walden Family Services

Report on Compliance for the Major Federal Program

Opinion on the Major Federal Program

We have audited Walden Family Services' compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on Walden Family Services' major federal program for the year ended June 30, 2023. Walden Family Services' major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Walden Family Services complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2023.

Basis for Opinion on the Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Walden Family Services, and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of Walden Family Services' compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above, and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Walden Family Services' federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Walden Family Services' compliance based on our audit. Reasonable assurance is a high level of assurance, but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Walden Family Services' compliance with the requirements of the major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Walden Family Services' compliance with the compliance requirements referred to above, and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Walden Family Services' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances, and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Walden Family Services' internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance, and the results of that testing, based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
